Who is WBN?

Kathleen & Michael H. Yeager

WBN- The Word Broadcasting Network is part of Jesus Is Lord Ministries International in the Gettysburg, PA area; which is pastored by author and teacher Dr. Michael, and his wife Kathleen Yeager.

Dr. Michael H and Kathleen M Yeager launched The Word Broadcasting Network from JILMI in 1983 to actively propagate the Gospel by various media outlets, such as radio, TV, satellite, and the internet.

JILMI and WBN have owned numerous radio stations through the years, and have also broadcasted via satellite (with their own on site uplink system), TV stations, and low power TV stations.

JILMI and WBN were one of the first major ministries that carried well-known ministers by internet, live-streaming and archiving their programs.

In the mid-70s the Lord had spoken to pastor Mike, revealing to him that he would be a part of providing a platform by which ministers could speak to the nations. Our newest focus, our 24 hour TV network, The Revival Channel (TRC) gives us that platform.

Through TRC, our 24 hour TV network, we provide ministers, singers, and godly wholesome programmers, a platform by which they can reach the world at an incredibly reasonable price.

Besides offering a reasonable price, we can provide you with step-by-step advice, many resources, and information; so that you can know the joy of broadcasting.

Our greatest joy is in seeing the vision, the purpose for which God has raised you up, being fulfilled. [\(Return to TOC\)](#)

Helping You Fulfill Your Vision

If your vision is to reach the world through satellite and internet TV, we can offer you a one-stop package deal. When you become a part of The Revival Channel, you will be aired on GloryStar TV, IP TV via ROKU and OMNIBOX, and have your programs archived on YouTube for 24/7 viewing. We are continually adding more avenues, to help you reach further. (We are in negotiations with [the WALK TV](#) to get into cable companies, as well.)

How We Reach Out

Media Avenues

WBN is using as many avenues as we can to get the gospel out. If you choose to join us, you will be part of all these out reaches, and more to come... Here is how we reach out:

- 1) **Satellite dish:** WBN TRC has our own 24 hour TV channel on the GLORystAR Network— channel 129 on Galaxy 19.
- 2) **Internet:**
 - a. **IP TV**— WBN TRC is on internet setup boxes called ROKU and the OMNIBOX
 - b. **Live Steaming-** Go to www.wordbroadcast.org
We Live Stream 24/7 from our website.
 - 2) **JILMI Service Times** are aired at 10 AM, 2 PM and 7PM.
 - c. **Archived videos** all programs are archived on You Tube, and can be accessed at any time

3) Phones and Tablets:

Reaching Millions

The Revival Channel of WBN is reaching into more than 65 million homes throughout United States and Canada via satellite.

*We believe that we shall enter into many other countries via satellite. This will include Europe, Africa, Israel, Asia, **Australia and South America soon.***

We are also in negotiation with WALK TV to air programs into cable stations, and carry some of their programs.

There are countless homes with internet connection, ROKU alone has sold over 5 million boxes, and it is difficult to know how far we reach. Just from our website statistics, we have had people from over 70 nations view us.

***Only 18 countries in the world do not have internet access. That means 178 countries have the potential to view our broadcast.*
